## Annual Report - Griesbach Council

### Officers:

Due to pressure of other duties, Capt. Zerbin was forced to resign as Treasurer in December. The posts of Secretary and Treasurer have been combined and Mr. H. Dales is now secretary-treasurer.

### Councillors:

Six council members who volunteered in December, 1959, are still serving on Council.

New Councillors since my last report are Capt. J. Taylor, Ward 2; Lieut. P. A. Scrutton, Ward 5; Lieut. A. P. Jessome, Ward 6; Major B. Bolster, Ward 7; Sgt. E. F. Carter, Ward 9.

### Finance:

Resident voluntary contributions for the year ending December, 1960, averaged \$226.00 per month. This is an increase over previous years, but below Council's expectations. In an effort to improve these contributions, councillors called on residents in their Ward who were non-contributors. Many new volunteers were obtained. Two factors also became apparent from the canvas, (1) many new residents had never been approached, (2) contributions were not being collected from Corporals and below by some units. The first problem, I think, has been overcome by instituting a new system of approaching new residents. On the second problem I would ask the co-operation of unit Commanders in ensuring that these collections are made.

As shown by the financial statement, your Association is in a sound financial position.

### Committees:

The following covers the committee activities of your Council:

### Ways and Means:

Seven ladies' bingos have been held. Approximately, \$700.00 has been raised to date.

This committee co-ordinated arrangements for the boys' boxing show held on January 21st \$128.00 was realized from this activity which has been set aside for use of the Boys' Boxing Club.

Arrangements for the 1961 Community Fair are under this committee.

### Recreation:

Three tot lots were equipped with swings, teeter totters, sand

boxes and basketball posts. Approximately \$900.00 was spent for material. Volunteer labor was provided by residents.

The Day Camp operated in co-operation with the YMCA, proved successful. Council approved an expenditure of \$80.00 to help pay the costs of the Camp.

Approximately 165 boys participated in hockey this past winter. \$400.00 was provided to assist in operation of the league and rink. A mild winter caused considerable trouble with the ice. New nets and goals were provided for the rink at a cost of \$55.00. The fire hazard caused by the stoves, necessitated their removal from the change hut. It is hoped new heating arrangements will be available for next winter. Cleaning of the ice also presented problems. A new plan for ice cleaning has been forwarded to the Commander, Alta area, for his consideration.

Fifty-seven members registered for a junior tennis club. \$75.00 was provided to assist the club.

A Badminton Club operated with 16 teenage and 20 adult members. \$16.00 was provided for the Club.

The Small Bore Rifle Club have 40 members \$89.00 was provided to assist in their activities.

Council provided \$100.00 to assist in the formation of an Archery Club. This grant was conditional on the club raising \$100.00 by their own efforts. This amount has been raised by the Club.

Assistance was given to ladies in the formation of a basketball team.

The Teenagers' Curling Club was provided with a grant of \$50.00 to cover the purchase of a trophy.

### Welfare and Culture:

As we have been without the services of a welfare committee chairman, visits to new residents have been seriously curtailed.

Ballet classes have continued under Miss Woodcock. Approximately 50 children are taking the classes. \$35.00 was provided to help defray the cost of installing ballet bars — this money to be repaid from the proceeds of the ballet recital. Tap dancing and modern jazz lessons are also being provided by Miss Woodcock.

### Services:

Due to the fact that AHQ vacated the book rental scheme for high school students, the Council agreed to take over the plan. A rental fee of \$5.00 per year was charged. It was the intention that the plan be self-supporting but extensive repairs to books taken over from the School Board, caused a deficit of \$106.00. A decision to continue the plan for another year has not been made as yet. However, if the plan is continued, an increase in the rental fee appears justified.

### Library:

Your Council has been very pleased with the use that residents are making of the library. There are 600 members and slightly over 3,000 books are available. There is a turnover of approximately 200 books per week. Council provided \$20.00 to defray the cost of a librarian's course for Sgt. Carter, our present librarian. In addition to Sgt. Carter, twenty ladies have volunteered to work in the library. Unfortunately, Sgt. Carter is leaving and a new librarian must be found. Anyone willing and interested to take on this appointment, would be welcomed.

### Miscellaneous Activities:

#### Trading Post —

Unfortunately the Trading Post did not receive the support that Council expected, and it was decided to close it down. The building will be retained and put to another use.

#### Fire Prevention Week —

Council voted \$60.00 to assist the Fire Department in interesting children in fire prevention.

#### Griesbach Bugle —

Council voted that a scroll and \$25.00 be given Sgt. Sheppard for his work on the staff of the Bugle.

Thanks to the efforts of S/Sgt. MacDonald, advertising revenue has increased greatly — so that the Bugle is showing a small profit each month.

Council agreed with a request from the Editor that a membership be obtained in the Edmonton Better Business Bureau. \$35.00 was approved to cover a one year membership.

#### Christmas Activities —

\$30.00 was given the Fire Department staff to help defray the cost of a Santa Claus suit. The suit will be used for repeat performances each year at the fire hall.

A Christmas house decoration contest was sponsored by the Council which proved very successful. \$67.00 was distributed in prizes.

#### Whistle —

Council voted \$30.00 to purchase and install a steam whistle on the central heating plant. The whistle to be used primarily as a "come home" signal for children. Installation should be completed at an early date.

Major H. H. Hennie, Chairman,  
 Griesbach Association.

### SOMETHING TO THINK ABOUT

There seems to be a lot of gossip on and about teens in this camp, but what can we expect of our teens if we do not go out and chaperon them during their dance and various functions? So let's wake up to give these kids some support or would you rather have them hanging around some cafe down town? I know from experience that you people with teen children are the first to cry the blues should your boy or girl get in some scrape or another.

I further state that a good many of you have been asked to chaperon these affairs but it's always the same old story "I'm busy," "We are going out that night," or "I work and just too tired for that sort of thing."

Let's wake up, folks, and take an interest in what our youngsters are doing and perhaps help them. Who knows? It might be fun. If this shakes you into realization, please call Verna Delaney at HQ Alberta Area, Local, 496, or at home, GR 7-6874.

Cpl. K. R. Beeds

Dear Sir:

I was very disappointed at the failure here of our Trading Post. I've always heard they were a great success in other places, and found the one in Soest (Germany) a great help, and it certainly prospered there.

I feel the failure of this shop is mainly due to its bad location. Although I was very keen to be a patron, I have made very few visits, as invariably I had to combine my call there with calls at the Bank or Post Office; and after concluding my business at these places, just didn't have the inclination to walk up that long road, usually with a bitter head wind, (either going or returning) and decided to go another day, which of course, I didn't. Most of us take our small children out with us in the afternoons, and it is much too far away from the places of business, we are obliged to visit, for their small legs to manage.

The success or failure of a shop depends largely upon its location and no matter how central it is in respect of the residences, if it is nowhere near the community's centre of activity (i.e. Bank, Post Office, School, Church, etc.) it is bound to fail.

I feel it should have been located where the library is at present, even if it had to be on a

much smaller scale. Better to start small and flourish, than start big and collapse. The Library's hours are not at all in accordance with those of the Post Office or Bank, so that could well have been located in a different place. The Trading Post depends on people "dropping in" after cashing a cheque at the Bank — or buying stamps at the Post Office. Most people would just call in "next door" to see what was there, or take something themselves — provided they did not have to "go out of their way to do so." I know this makes us sound very lazy or disinterested, but most of us housewives have to do two or three jobs at a time and cannot afford to take time for special journeys just "to look round" without a definite purpose, and everyone knows profits are made from people "looking round" and seeing something they had no intention of buying — and purchasing it.

This is just to say, please do not "write off" our Trading Post as a "Dead Loss," under the mistaken idea that we are not interested. We are, but please make it more convenient for us to use it.

Sincerely yours,

Mrs. A. Bryant.

# General Meeting Adopts New Terms of Reference for Griesbach Council

## Promises a More Streamlined Operation

### Responsibility:

1. The Griesbach Community Council will operate in conjunction with the Griesbach Garrison Regimental Fund and will be responsible to the Regimental Fund Committee for the efficient administration of the activities which they control.

### Object:

2. The object of the Council, as the representative body of all the Griesbach Married Quarters residents, will be:

(a) To provide the Commander, Alberta Area, with a clear picture of the needs and problems of the Griesbach Married Quarters.

(b) To foster the development of organizations and committees in the field of education, welfare, recreation and character-building among adults and children of Griesbach Married Quarters.

(c) To provide a local authority to whom the community problems can be referred.

(d) To provide, when possible, amenities not provided by the Army for adults and children.

### Composition:

3. The Griesbach Community Council shall consist of the following members:

(a) A chairman — an officer of field rank, resident in the PMQ Area and appointed by the Commander, Alberta Area.

(b) A deputy-chairman — an officer of field rank, resident in the PMQ Area and appointed by the Commander, Alberta Area.

(c) A secretary-treasurer — appointed by the Chairman.

(d) Councillors — the Griesbach Married Quarters will be divided into Wards. Each Ward will be represented by a Councillor. The Councillors will be nominated by Ward residents. If more than one nomination is received for a Ward, an election will be held in that Ward. The Chairman will select a Councillor when a Ward fails to nominate one. Councillors will normally serve for one year.

(e) Advisory members: AA & QMG, Alta Area, Co., 13 Wks Coy RCE, Camp Commandant, and Co. PPCLI, Home Station or their delegated representatives.

### Source of Funds:

4. Monies to permit the Council to discharge efficiently its responsibilities may be derived from the following sources:

(a) Such grants as may be authorized from time to time by

the Regimental Fund Committee.

(b) Voluntary contributions by residents of the Griesbach Married Quarters.

(c) Rebates from the MLS Community Snack Bar.

(d) Fund raising activities such as bingos, raffles, fairs, sporting events, etc., concurred in by the Commander, Alberta Area.

(e) Fees and monies accumulated by clubs and organizations sponsored by the Council.

(f) Profits of business undertakings operated or sponsored by the Council with prior concurrence of the Commander, Alberta Area.

(g) Fees from car registrations, licenses, permits, etc., concurred in by the Commander, Alberta Area.

(h) Donations from firms, individuals and institutes.

(i) The local community newspaper.

5. Monies accrued in paragraph 4 (e) above, will be set-up as sub-accounts within the books of the Council and will be expended only for the benefit of the members of the club or organization concerned.

### Expenditure of Funds:

6. Except as provided in paragraph 5 above, expenditures by Council shall be for the benefit of Griesbach Married Quarters residents as a whole and shall be subject to the following conditions:

(a) All recurring expenditures (as defined in Inst. Rules 1.02 (g)) may be authorized by the Council.

(b) Non-recurring expenditures (as defined in Inst. Rules 1.02 (n)) up to one hundred dollars for any one item or project may be made without prior approval of the Regimental Fund Committee.

(c) All expenditures shall be approved at a meeting of the Council and recorded in the minutes of that meeting.

(d) Only emergency expenditures for the maintenance and repair of property and equipment owned by Council may be made without prior approval of a Council or Committee Meeting, as applicable.

### Furniture and Effects:

7. Furniture and effects property records shall be maintained by the Council in the manner prescribed by the Regimental Fund Committee.

### Meetings:

8. Meeting of Council will be held monthly, if practicable, or oftener, as directed by the Chairman.

## General Meeting Hi-Lights

A general meeting of the Griesbach Association was held April 19th, in No. 1 School. 110 residents were present.

An annual report on the activities of the council over the past year was given by the Chairman, Major Hennie. This report appears elsewhere in the paper.

Future plans of council were outlined by the Chairman. Another tot lot is planned in the area of the row housing. The provision of wading pools is under consideration. Another skating surface is planned for the northwest corner of Camp. The Trading Post building would be used as a change hut for this rink. It is also hoped to have the Army install suitable heating in the present change hut.

Plans for a summer day camp for children are underway. (Information concerning this Camp appears elsewhere in the paper).

Council has under consideration the partial financial support of a team in the city bantam football

league for 12 to 14 year-olds. This would be in addition to the Rams football team from the GYPA.

The Chairman asked for nominations for Council. No nominations were made from the floor. Three residents, however, volunteered at the close of the meeting. Sgt. R. N. Haswell, volunteered for Ward 3; Sgt. R. J. Adams for Ward 3, and Sgt. F. N. Woodcock for Ward 13.

The Chairman then read the new Terms of Reference for the Association. He explained the changes in detail, pointing out that in the future no general meetings of the Association would be held. However, residents would be able to attend meetings of the Council by representation to their councillor. After discussion, C. S. M. (WO 2) McKerracher, 2 Bn. PPCLI, moved that the new Terms of Reference be adopted as read. This motion was seconded by Major Robertson and passed by the meeting.

### BOYS' AND GIRLS' DAY CAMP

The Griesbach Association have once again arranged to join the YMCA in a boys' and girls' day camp.

The camp is being operated by the YMCA for a four-week period during the month of July for boys and girls aged nine to fourteen. The camp is situated at Potter's Farm on the Sturgeon River, approximately 25 miles north-east of Edmonton.

Transportation to and from the day camp will be by bus chartered by YMCA. The pick-up point for Griesbach boys and girls will be No. 1 School.

The camp will include nature walks, camp craft, overnight sleep-outs (on a voluntary basis), cook-

ing, swimming and many other camp activities.

Registration will be carried out in School No. 1 on May 15th and 16th by a representative of the YMCA. A parent and the child must be present for registration. Parents are reminded that May 15th and 16th are the only registration dates.

Cost of the day camp including cost of transportation is \$5.00 per week for members of YMCA or YWCA and \$7.00 for non-members. The Camp central fund and the Griesbach Association are making arrangements to subsidize the weekly cost. Final cost of the camp will be based on the numbers attending. However, parents must be prepared to pay the full amount. A rebate will be made when registration is completed.

### YWCA GIRLS' RESIDENT CAMP

The YWCA will operate a girls' resident camp from August 5th to August 15th for girls aged eleven to fourteen.

Further details of the camp and enrolment documents are available from Captain J. W. Taylor, 9706 137A Avenue, PMQ 34. Captain Taylor is the recreational chairman of the Griesbach Association.

### SPRING CLEAN-UP

Spring is an ideal time to inspect homes from cellar to attic, getting rid of all those things that lead to fire, particularly accumulated waste and litter.

Co-operative efforts to give communities a thorough cleaning at least once a year were first undertaken many years ago. One of the first campaigns of record was undertaken 51 years ago by a Cleveland, Ohio, school teacher, Miss Bertha Chapman.

The first campaigns were a day long and devoted to ridding homes and yards of rubbish and waste that had accumulated during the winter months. Later campaigns with the same objective were spread over a week or more.

In recent years the movement has spread so rapidly that practically every city has a spring campaign, some repeating the effort in the fall, during Fire Prevention Week.

Clean-up Week will be held from the 15th of May, up to and including the 20th of May in the Griesbach area.

Arrangements have been made for trucks to go through the PMQ area on Thursday, the 18th of May, to pick up your discarded materials.

Because of the lack of proper cooking facilities and relatively low cost of the camp, children will be required to carry lunch and a beverage.

## Griesbach Library

This being "Canadian Library Week," we once again urge the residents of the Griesbach area to take advantage of the facilities of their very fine library, situated in the same building as the Post Office. The hours — Monday and Wednesday evenings from 7:00 to 9:00 o'clock and Saturday mornings from 9:00 to 11:00. We have a good selection of books, with more new ones coming in every week. If, however, you don't find the book you're looking for, let us know, and we will try to include it in our next order. Your suggestions will be much appreciated.

We would like to remind anyone who has over-due books, to bring them into the library as soon as possible. Someone else may be wanting to read them. This applies especially to the "space books," the Thornton Burgess animal story books and the newer novels. Also, if you're anticipating a posting away from Griesbach, please, return your library books before the movers get them packed!

### RECENT ADDITIONS

**The Map-Maker** — by Kerry Wood, a resident now, of Red Deer, Alta., is the story of the explorer, David Thompson. Among his accomplishments, he explored the Peace River, surveyed the 49th Parallel to fix the boundary between the U.S.A. and Canada; and spent many months in the Rockies, trying to find a pass to the Columbia River.

**Klondike** — by Pierre Berton. The story begins twenty years before the great strike. In total isolation that first winter after the great strike, Dawson City was born, legends lived, and fortunes won without the world being wiser.

**The Face of Canada and MacLean's Canada** — these two books are designed for those who wish to know Canada better, with witty and informative notes on places of historical or contemporary interest.

## Coming! Coming! Griesbach Community Fair

# 3 June '61

## Bigger and Better than Ever WATCH FOR DETAILS

### PET RUSTLING ON INCREASE

That's probably a dramatic way of introducing the subject but it will help make our point.

The combination of spring and the desire to explore the surrounding neighbourhood is taking junior pretty far afield in Griesbach. Among the souvenirs he is likely to bring home from his travels, and usually by the tail, is quite likely to be someone's favourite pet — pup, kitten or the like.

I have been reported that some districts of the area are taking on all the aspects of a menagerie because of these forays. We therefore make this plea to all parents. If the young pirate comes home bearing these treasures, please have him return them personally to his point of contact. Many young animals removed to a new location only a few blocks away from their home, immediately become strays and unable to find their way back.

If, on the other hand, you take this means of disposing of another unwanted litter, we ask that you use the facilities of the S.P.C.A.

## To Palestine

Captain G. H. Howitt, MC, of Guelph, Ont., will be promoted to the rank of Major and posted to the United Nations Truce Supervisory Organization in Palestine in May. He has been employed as a staff captain with Western Command headquarters in Edmonton.

A member of the Royal Canadian Artillery, Major Howitt enlisted in the Non-Permanent Active Militia in 1937 and joined the Canadian Active Service Force during the War. He saw service in the United Kingdom and Northwest Europe during the Second World War and in Korea from 1951 to 1953 where he was awarded the Military Cross. Major Howitt attended the Canadian Army Staff College in Kingston, Ont., in 1958.

VISIT ARMY ORDNANCE DEPOT

Eleven RCAF Officers from No. 7 Supply Depot, Namao, toured the Army's No. 17 Regional Ordnance Depot, Royal Canadian Ordnance Corps, at Griesbach Garracks. The purpose of the visit was to discuss their mutual problems in accounting and warehousing of the vast range of items necessary to keep the airforce flying and the army marching.

Discussing a reel of rust-resistant barbed wire, are from left: Group Captain W. M. Smith, commanding officer, No. 7 Supply Depot; Wing Commander H. A. Foster, chief supply officer; Lt.-Col. J. W. Routledge, commanding officer, No. 17 ROD, and Sergeant E. P. Pattinson of Vancouver, B.C.

ESSAY CONTEST FOR GRADE V's

Budding literary genius is evident in the forty-seven entries to this contest. Placings are as follows:

- 1st — Mary Vander-Straten — "When I'm Grown Up."
- 2nd — Chris Green — "My Dog Blitz."
- 3rd — Jan Saunders — "When I'm a Grown Girl."
- 4th — Sandra Holmes — "My Pink Nosed Pal."

Honourable Mention

- Roddy Smith — "Ambition in Life Today."
- Hilary Kemsley — "Cindy Is My Dog."

- Sharon Hummle — "My Pet."
- Barbara Vallance — "My Pet."

All entries will be posted in the library for everyone to read and marvel at the ambitions, hobbies and pets of these young people. The stories told reveal the outlook and thoughts of the grade fivers and anyone who thinks that the younger generation will not improve this world, should read these stories; it may change your mind about them.

The eight to fourteen age group account for approximately two-thirds of the library circulation and in recent weeks an increase in reading by the older teens has been noted. It is hoped this increase will continue. Any suggestions that will increase book circulation, or better the library service, will be appreciated.

## Announce Poster Competition

By kind permission of Mr. W. V. MacNeill, Supervising Principal of Schools in Griesbach, Mr. J. Majakey, Principal of No. 1 Griesbach School, and Mr. H. P. Ulmer, Principal of No. 2 Griesbach School, the Griesbach Association is pleased to announce a competition between the pupils of our schools for the best posters advertising the Griesbach Community Fair. The Fair is to be held this year on Saturday, June 3rd.

The following rules for the competition will apply:

- Pupils of Nos. 1 and 2 Griesbach Schools only are eligible to enter.
  - The entries must be the pupils' own work.
  - The competition will be divided into three categories in accordance with School Grades. The first category will include Grades 1 to 3, the second category will include Grades 4 to 6, the third category will include Grades 7 to 9.
  - First and second prizes will be presented to each category.
  - Any method or combination of methods e.g. chalk, crayon, water colour, applique, etc., may be used in making the posters, however colours should be restricted to black, purple, red, green and blue. This is to facilitate reproduction of the winning posters which will be used to advertise the Fair.
  - Size not to exceed 13 inches by 16 inches.
  - Entries will be passed to class teachers by 1200 hrs., Friday, May 5th.
  - Judges will be appointed by the School Principals.
  - The Judges' decision will be final.
- The posters should include the following information:
- The name of the event is "GRIESBACH COMMUNITY FAIR."
  - Date — Saturday, June 3rd.

- Time — From 11 a.m. to 8 p.m.
- Place — No. 1 School Grounds.
- Attractions:
  - Rides
  - Games
  - Refreshments
  - Dog Show
  - Bicycle, tricycle and doll carriage contests

## A PLEA FOR THE GRIESBACH LITTLE LEAGUE AND PONY LEAGUE BASEBALL

In last month's paper we made an appeal for volunteers to act as coaches, umpires and score-keepers. We now have five corporals and one civil servant who have offered their services. However we need at least two per team consequently we need at least six more coaches as we are hoping to enlarge the present four-team league by another two teams.

The six-team little league plus the Pony League team will provide baseball for over 100 boys.

We also need umpires and score-keepers.

The third organizational meeting will take place on Tuesday, May 2nd, at 1530 hours, in the conference room, H.Q. Western Command. Give us your support by offering your services as a coach, etc. Without it we may be forced to cancel baseball for this year.

The league is expected to commence on May 22nd and finish on June 30th. Play-offs will take place during the first week of July.

## GOLF NEWS

The golf season started off with a bang on April 1st and 71 playing tickets were sold for that weekend. However, all that white stuff that followed, quickly cooled off even the most ardent golfers and the opening tournament that was planned for April 13th and 14th, was postponed to April 20th and 21st.

Membership is now approaching 100. The simplest way to join is to take along the \$2.00 when buying your first playing ticket from QMS (WO2) James at the 13 Wks. Coy draughting office. He will issue your membership card on the spot.

A concessionaire has been found for the driving range and it should be in full operation by the time you read this. The tees will be reserved so you will drive towards the present tees. That will avoid the distraction from traffic at that busy corner and provide more convenient parking. The hours of operation are not fixed at the moment but they will be placed on a sign in a convenient location. We still need old balls to build up the range supply. Hand them to QMS (WO2) James, Sgt. Milbrath at the Headquarters QM Sores or to the concessionaire.

Captain Buxton announces that the Alberta Area Tournament is firm for June 1st and 2nd at Calgary.

## GRIESBACH JUNIOR RIFLE CLUB

A successful shooting season is drawing to a close. The final shoot for the Club Championship was held on 21st and 24th of April. Prizes were presented at a social evening held in the PT Building on April 28th.

During the season club members have been shooting in the Dominion Marksmen competitions for .22 sporting rifles. A competitor must submit 5 targets of 80 or better to win a bronze pin, 10 targets of 93 or better for a silver pin and 10 targets of 98 or better for a gold pin. Pins must be shot for in the above order and from the prone position. When all three pins have been won, a competitor may shoot for Dominion Marksmen crests. The first of which is gained by submitting 20 targets scoring 95 or better from the sitting position.

Successful shooters to date are: Bronze Pin and now shooting for a silver — Paul Allen, Michael Armstrong, Gordon Chatry, Roger Durand, Michael Grant, Godfrey Greene, John Hetherington, David Hodges, Bill Hicks, Candace Ingram, Dennis King, Bob Luker, Dan McConnell, Linda Paul, Bruce Robertson, Camerson Ross, Dave Rudd, Tom Smith, Linda Taplor, Carolyn Webb, Eddie Winfield, Ray Taylor, David Rooke, Pat Tuttle, Joanne Donald and Michael Johnson.

Silver Pin and now shooting for Gold — Bill Armstrong and Eric Ward.

Gold Pin and now shooting for a Crest — Hap Stutt, Douglas Robertson and Robert Webb.

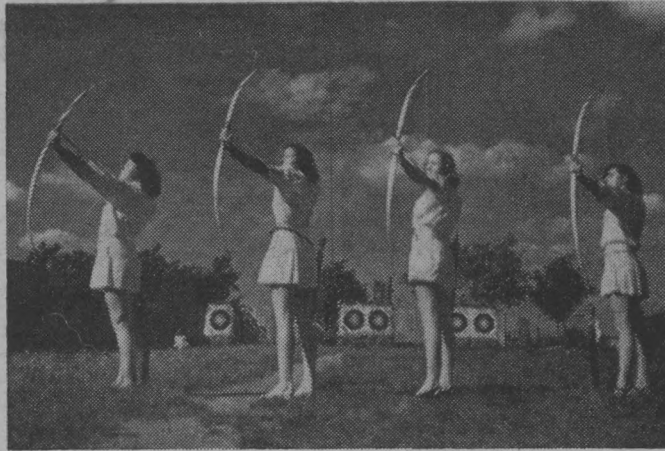

## WIN KILLARNEY DRUG TROPHY

The Killarney Drug Trophy, symbolic of the Championship of the Griesbach Business Ladies' Curling League, was won by a rink skipped by Olive Bruens, with Kay Klohn, Helen Shewchuk and Gloria Witschen. Second prize was won by Bess Ging's rink, with Pearl Oaks, Evelyn Curle and Pat Ahern. Third prize went to Liz White, with Adelaide Nesbitt, Jeanette Vereshagen, and Helen Powder; while fourth prize went to Adele Wawryko, with Marg Armstrong, Lucy Chalifoux and Gwen Jarvis.

Prizes were donated by: Killarney Drug, Trudeau's Cleaners, Tiny Tot Variety, Star Cleaners, Shell Service, 97th St. and 132nd Ave., Congdon's, Jack's Esso Service, R & M Personalized Dress Making, Hill the Mover, Security Storage and Mitchell Drugs.

The wind-up banquet was held in the PT Lounge on April 5th, with special guests Doreen Middlemiss and Phyllis Charles attending.

## To the Ladies - Particularly

Remember last summer when the better half was away at summer camp and there seemed no end of hours with nothing to do? At that time there was a movement afoot to provide more recreational activities for the wives of the community.

This summer it will be a different story — thanks to the formation of the Griesbach Archery Club. This group, recently sanctioned by the Griesbach Association, is now prepared to go into full swing. Membership is steadily mounting and as of this writing one third is of the fairer sex.

All necessary equipment has been provided in various weights to suit the individual — arrows, bows, wrist guards, etc. There are already a number of individuals

in the area qualified to instruct in this sport and to augment their time and effort, members of the Edmonton Archery Club have indicated their willingness to assist not only in the formation but instruction as well.

This is a sport of skill which is rapidly increasing in interest and feminine participation as is indicated in the above picture of avid enthusiasts. So come on, girls — give it a whirl.

The Griesbach Archery Club invites inquiries from all residents over the age of eighteen. Just fill out the following form, mail it in, and be prepared for a summer of exhilarating sport. Additional details can be obtained from the secretary by phoning GR 9-6428.

### APPLICATION FOR MEMBERSHIP

### SPRING TRAINING

Twenty-five boys are taking part in a Spring Training Program for Rams beginning April 17th. The purpose is to teach the basics of football.

The program is headed by Capt. Lawford.

### TEEN CURLING

The Teen Curling Club wound up activities this year with a short bonspiel which terminated April 16. In the end eight teams started. The one to finish was the team skipped by Wayne (Booboo) Armstrong. Donna Scurr played lead, second was Lorraine Freeman and Doug Joiner played third. Doug Arril, who recently took bonspiel honors at Namas, didn't fare so well on home ice as the scoreboard saw Armstrong take the game 11-3. Other members of Arril's team were George Thompson, lead; Donna Moonen, second; and Dave Brauti, third. Team and individual cups are to be presented later, possibly at a banquet.

All the players were quite tired as they had been playing a series of three games consecutively from 2:30 the same afternoon.

In the semi-finals, Armstrong nudged McLellan 9-8 on a real thriller. In the end it was less than an inch on the last rock to give Wayne his victory. At the same Arril defeated Patterson by a score of 10-4.

### GRIESBACH BADMINTON CLUB

With the season drawing to a close the club had its Annual Tournament during the 12th and 16th of April. The list of champions is as follows:

Ladies' Singles — Mrs. Betty Comfort.

Ladies' Mixed — Mrs. Rene Bernier and Mrs. Mary Roddick.

Mixed Doubles — Mrs. Mary Roddick and Mr. Bob Comfort.

Men's Doubles — Mr. Bob Comfort and Mr. Norm Adason.

Men's Singles — Mr. Bob Comfort.

The junior members will be having their playdowns on May 2nd.

On April 19th, we entertained the members of the Namas Badminton Club.

The club will have its last meeting on April 26th, and will start activities in the early fall.

### SOFTBALL

We have been informed by Sgt. Hober, 13 Coy RCASC (Local 394) that the softball season will commence sometime in May.

Entries in the Camp league are believed to be:

10 SDB

13 Wks Coy RCE

13 Coy RCASC

17 ROD

HQ Western Command

More information will be forthcoming shortly as to schedule, diamonds, etc.

If you wish to play, contact Sgt. Hober for more information.

## FIRST ROCK THROWN

Throwing the opening rock at the Western Command bonspiel held in Griesbach Barracks, April 7th to 9th, was the Chief of Staff, Headquarters Western Command, Col. N. H. Ross.

(Western Command Public Relations photo)

## Griesbach Tennis Club

The first meeting of the season was held by the Griesbach Tennis Club at the Physical Training Building, Hamilton Gault Barracks, on April 13th. The purpose of this meeting was to elect new officers and to make plans for this coming season. This meeting was not well attended due to the short notice. The new executive committee who were elected are as follows:

President — Maj. W. R. Waters  
Secretary-Treasurer — Captain A. T. Hawkins

Chairman Playing Sub-Committee — Cajor A. Osland

It was decided upon to leave the office of Vice-President opened until a later date for a serving person from 2 PPCLI or PPCLI Depot.

New rules were discussed and agreed upon and various amendments made.

Captain J. Pinault, the out-going Secretary-Treasurer, made some pertinent statements on the finance and equipment held by this Club.

A large number of Junior Tennis players are expected to play again this summer, and the committee will issue plans later on pertaining to the activities of the younger set.

As the aim of this Club is to provide organized sports and recreational facilities for members of

service families living in Griesbach and to foster development of the game among Juniors, it is hoped that more people will take advantage of it. A registration fee of \$1.00 is all that is required from any one person wishing to join, whether a junior or senior. The following facilities are available to members: The use of the indoor and outdoor courts, a limited number of racquets are provided free of charge and tennis balls are also supplied. The executive is already planning and purchasing more equipment.

If there is anyone interested in this year-round sport you may obtain your registration form and further information from Captain A. T. Hawkins, secretary-treasurer, HQ Alberta Area or Local 413. If you wish to join but are hesitant about the game, don't feel alone as we are all comparatively new at this sport. There will be professional players on hand to assist in the coaching.

Watch for future notice of our next General Meeting which will be held in mid or late May.

## NOTICE

Attention Junior Members. Anyone having Tennis Racquets belonging to the Griesbach Tennis Club, would you please return them to Captain A. T. Hawkins, as soon as possible.

Winners of the "C" Event in the Western Command invitational bonspiel held here from April 7th to 9th and copping the Wainwright

Military Camp trophy, was this team of PPCLI soldiers.

## CURLING

## MEN'S SECTION

The final rock was thrown on April 17th, thus ending a great first year of curling in our own curling rink, with the wind-up of a general meeting and a smoker at the PT Lounge held on the 21st of April.

The following Executive Committee was elected for the 1961-62 season:

President — Maj. A. J. Callaghan  
Vice-Pres. — Capt. H. A. Lucas  
2nd Vice-President — Sgt. R. J. Adams

Secretary — QMS (WO 2) B. J. C. Lewis

Treasurer — Capt. B. G. Small  
Our thanks are given to SM (WO 1) R. E. Freeman and S/Sgt. R. E. Ashmore from the Executive Committee for their excellent work as drawmasters.

The Ron Freeman rink with Sgt. M. King (third), Sgt. J. Hudson (second) and Sgt. K. Hildt (lead), took the Club Championship with 12 wins and 1 loss.

The following are the winners and runner-ups of their respective sections:

## "A" Section

1. Mr. Ron Freeman
2. SM (WO 1) R. E. Freeman
3. Sgt. J. Willerton

## "B" Section

1. S/Sgt. D. W. E. MacDonald
2. Sgt. H. Chatry and Capt. R. J. Ward (tied)

## "C" Section

1. Capt. F. W. Sibley
2. Sgt. A. R. Milbrath
3. Capt. C. D. Nickerson

The Western Command Invitational Open Bonspiel was held on April 7th, 8th and 9th, with 112 rinks from as far away as Winnipeg and Whitehorse. The Air

Force rink of F/L I. Wood took the main event by edging out the rink of Capt. Fred Sibley of Griesbach in an extra end.

The "B" event was taken by Mr. D. Olson of Dundurn in an extra end with Cr. P. Sagan of 17 ROD.

The "C" event was won by Sgt. J. Willerton in a close game with Sgt. F. Switzer of 17 ROD.

The "D" event was won by Constable R. Gislason (RCMP) from Saskatoon.

The "E" event was won by F/O A. Fiske, RCAF Station, Penhold.

It is anticipated that a better curling season will be held this coming winter with more personnel of the Griesbach Community participating and the completion of the rink e.g. insulation, upstairs, etc.

## Boxing

During the recent Western Command Boxing Finals held in Calgary on April 4th, 5th and 6th, Alberta Area led the pack with a total of 26 points; B.C. Area second with 13 points, and Manitoba Area third with 5 points. There were no entries from Saskatchewan Area.

Results of the bouts were:

### April 4th — Novice Welter

Pte. Olsen (1 PPCLI) B.C. Area, defeated Gnr. Bennett (2 RCHA) Manitoba Area.

### Novice Light Middle

Pte. Cole (1 PPCLI) B.C. Area, defeated Gnr. Prokop (2 RCHA) Manitoba Area.

### Novice Middle

Gnr. Ferguson (2 RCHA) Manitoba Area, defeated Pte. Bennett (2 PPCLI) Alberta Area.

### Open Light Welter

Pte. Clearsky (8 PD) Manitoba Area, defeated Pte. Henry from (1 PPCLI) B.C. Area. A real thorough boxing lesson by Clearsky. We still wonder how Henry weathered the storm.

### April 5th — Novice Feather

Pte. Whitehead (2 PPCLI) Alberta Area, defeated Pte. Osmond from (1 PPCLI) B.C. Area.

### Novice Light

Pte. Hokan (2 PPCLI) Alberta Area, defeated Pte. LeBlanc from (1 PPCLI) B.C. Area.

### Open Light Middle

Pte. Cameron (2 PPCLI) Alberta Area, defeated Pte. Gow (1 PPCLI) B.C. Area. Another example of good boxing by Cameron.

### Novice Heavy

L/Cpl. Delaronde (1 PPCLI) B.C. Area, defeated L/Cpl. Verhage of (1 Pro Pl) Alberta Area. Not anything like Patterson and Ingo!

### April 6th — Novice Welter

Rfn. McPhee (2 QOR of C) Alberta Area, defeated Pte. Olsen (1 PPCLI) B.C. Area.

### Novice Light Middle

Pte. Thompson (2 PPCLI) Alberta Area, defeated Pte. Cole (1 PPCLI) B.C. Area.

### Novice Middle

Gnr. Ferguson (2 RCHA) Manitoba Area, defeated Pte. Wells of (1 PPCLI) B.C. Area.

### Open Light Welter

Pte. Clearsky (8 PD) Manitoba Area, defeated Pte. Hartmann of (2 PPCLI) Alberta Area.

### Open Welter

L/Cpl. Reti (2 PPCLI) Alberta Area, defeated Pte. Diggs (1 PPCLI) B.C. Area. A fairly easy bout for Reti.

### Open Middle

Cpl. Fredericks (2 PPCLI) Alberta Area, defeated Pte. McNeil from (1 PPCLI) B.C. Area. The most interesting bout of the night.

## Western Command Champions for 1961 are:

## RCAF Take Trophy

The Army bowed to the Airforce at Griesbach Barracks, April 9th, when a rink from RCAF Station Namao walked off with the Western Command Curling Trophy at the conclusion of a three-day Command Invitational Bonspiel.

Entries from across the Command totalled 112, and included rinks from the RCMP.

In four other main events a rink from Hundum Military Camp, Saskatchewan, took the Queen's Own Rifles of Canada trophy; a 2nd Battalion PPCLI entry from Edmonton copped the Wainwright Camp trophy; RCMP Saskatoon took the Security Storage trophy and another Airforce entry from RCAF Station Penhold won the Hiram Walker and Sons trophy.

Brigadier J. S. Ross, commander of Alberta Area, presented the Western Command Trophy to the Namao RCAF rink at prize-winning ceremonies in Hamilton Gault Barracks Sunday night.

Complete list of prize-winners follows:

"A" event — Western Command Trophy — RCAF Station Namao; 2nd prize — Griesbach Barracks; 3rd prize — RCE, Griesbach; 4th prize — 17 Regional Ordnance Depot.

"B" event — Queen's Own Rifles of Canada Trophy — won by Dundurn Military Camp; 2nd prize 17 Regional Ordnance Depot; 3rd prize, Calgary Garrison; 4th prize, RCAF (Namao and Cold Lake).

"C" event — Wainwright Camp Military Trophy — 2nd Battalion Princess Patricia's Canadian Light Infantry; 2nd prize, 17 Regional Ordnance Depot; 3rd prize, Calgary Garrison; 4th prize, 2nd Battalion Princess Patricia's Canadian Light Infantry.

"D" event — Security Storage (Big 4) Trophy—RCMP, Saskatoon; 2nd prize, Griesbach Barracks; 3rd prize — Griesbach Barracks; 4th prize — Griesbach Barracks.

"E" event — Hiram Walker and Sons Trophy — RCAF Station Penhold; 2nd prize — RCAF Namao; 3rd prize — Calgary Garrison; 4th prize — Royal Canadian Army Service Corps, Edmonton.

## FOOTBALL

Capt. Lawford, Capt. Parton, Cpl. Bones and Jim Salmond attended the NAFCA (Northern Alberta Football Coaches Association Clinic held at PPCLI over the Easter week-end under the sponsorship of the Edmonton Eskimos. Over one hundred coaches from Alberta, Saskatchewan and British Columbia attended.

Lectures, demonstration and discussions, brought out a wealth of useful information. As this program is directed mainly towards young boys who wish to learn and take part in the game, it can not help but be beneficial, in that

they will have the basic fundamentals given to them right from the start. This can not be emphasized too much, not only from the point of playing the game properly, but also of avoiding unnecessary injuries caused mainly by not knowing these basic fundamentals.

The main basic fundamental, which should be common to all sports, and is so often neglected, is physical conditioning. To this end the Griesbach Rams started Spring Training on April 17th. Due to studies, it will be impossible to hold training every day so it has been decided to use the 5 BX plan to bring the boys up to a good physical standard.

It is hoped that the parents who have boys participating will help the coaches by seeing that their boys keep up with the 5 BX plan as it consists of exercising every day.

## Girls' Basketball

On April 7th, Cathy Wecker, Sharon McCormick, Lynn Eberts, Wendy Duddle, Alana Swick, Lynn Bernier, Donna Mooney, Valerie Heather Jeffries, Marian Ashmore and Janet Rooke played, and won, a close game against the Women's Basketball Club. The game resembled a free for all on the five yard line during a low scoring game. Anyway everyone had lots of fun and that's what counts.

## Caution — To the Green Thumb Enthusiasts

From the B.B.B. of Edmonton

Spring is just around the corner, and with spring comes the urge to get out in the garden, and to spruce up the house. The home gardener gets out the seed catalogues and begins to look at all the advertisements for shrubs and plants. Every spring, attractive ads appear in various publications with special deals on trees and nursery stock. Many people like to experiment with new things from far-away places, but remember, it may be an experiment if you order from a far-away place. Things which one must consider are: Are the plants acclimatized to our Alberta climate, and will they stand our winters? If the plants are shipped a long distance, can you be sure they are in good condition when they arrive? If not, will you have to send back the dead plant and carry on a lengthy correspondence in order to get your money-back guarantee? If the company is advertising nationally, and is swamped with orders, can you be sure you will get delivery in time for planting?

Some mail-order Nursery Houses may make you forfeit up to half of the contract price if you get tired of waiting and decide to cancel the order. Reputable Nursery Houses will gladly give you advice and assistance if you are

starting your landscaping project, and many of them will replace the shrubs which do not survive the first year.

Lawn sodding has been the subject of periodic complaint. The Bureau would suggest getting competitive prices and estimates. Get the names and addresses of customers of previous years, and personally check with them as to their experience. Find out where the sod is obtained, and check on that, too, personally, if possible. It just could be from an old cow pasture which has been over-run with quackgrass.

Many people report to the Better Business Bureau that they purchased black loam which was represented as "weed free." No supplier can make such a statement unless he has used a weed-killer, and if such is done, the soil would probably be sterile for several weeks or months. Weeds will grow wherever there is soil, especially in good soil. Couch or quack grass roots can usually be detected in loose piled soil, since the rootsystem is extensive.

Many Greenhouses and Nursery Firms are members of Trade Associations, whose purpose it is to elevate the standards of supply and selling practices and to improve business-customer relations

by operating according to a code of ethics.

Advertising in the Nursery business, as in all other types of businesses can be misleading, if not checked. A promotional firm might, for instance, show pictures of trees or shrubs at fantastically cheap prices, the pictures giving the impression that the trees will be quite large and well-developed, when in actuality, the customer receives some little seedlings a few inches high. Reputable Nurseries quote prices according to the size of the shrub or tree. If customers do encourage the type of misleading advertising by buying and failing to report to the Better Business Bureau and the News Media which is responsible for carrying it — then the unscrupulous will flourish.

In rural areas your District Agriculturist is always willing to help with information on suitable types of trees and shrubs for your district, and in the city, the Parks Department Horticulturist always has a wealth of knowledge and advice for city gardeners. Members of Gardening Clubs exchange information and experiences, and are able to obtain films and lectures for groups.

As in all other types of business transaction — INVESTIGATE

## FOOTBALL

The Northern Alberta Football Coaches Association held their 2nd Annual Spring Clinic at Griesbach over March 30th, 31st and April 1st. This was a terrific course and was staffed by many of the big names in Western football. Five people were there representing Griesbach. Three were last year's Ram Coaches — Capt. Parton, Capt. Lawford and Lieut. Lund. Thanks to Capt. Parton, one Ram player, Jim Salmond, also attended. As well we have a future coach in Cpl C. Bones.

A meeting of the coaches of Griesbach, Drayton Valley, Jasper Place High, Fort Saskatchewan and Westlock was held and several things were informally decided for the league. In main, the big thing was the restriction on eligibility of players. So far it appears Griesbach will be restricted to High School students. However, a formal meeting is to be held on May 2nd. It is hoped that Griesbach will be allowed a slight concession in this ruling as we cannot hope to have the same numbers turning out for a team. At the very most 40 people would be eligible for the team and we would be lucky to have 25 turn out for it. On the other hand, the high schools of the league can count on at least 100 eligible boys and if only half of them turn out it is still a big advantage, selection-wise, over Griesbach.

As well as the Senior Rams, Griesbach will also have a Bantam team entered in the city bantam league. The boys must NOT be 15 years old before September 15th and not more than 135 lbs. Running shoes, not cleats, will be the only difference from other football. Thus the senior team should have a good base from which to build in the future.

Considering the success of the color ban on margarine, we wonder how long before another minority group will succeed with an objection to the additives in drinking water as having an adverse effect on milk sales.

## HOCKEY

After a slight delay because of the mild weather, the Warriors and Commandoes squared off for the championship of Griesbach, May 1st. The action took place in the Gardens and saw the Warriors take the third and final game of the series 2-1, to win 2-1 in games. Wayne Armstrong of the Commandoes opened the scoring in the first period so that the Warriors were faced with a 1-0 score in the second. But John Parton, who skated well all night, tied it up 1-1 in that frame. Then early in the third, George Thompson fired the winner, a picture goal, past Bob Paterson to put the Warriors in the winners' circle. Both Hazen Codner and Bob Paterson faced about an equal number of shots.

Both teams tired in the third period due to the long lay-off, the size of the rink and the unfamiliar artificial ice surface. But it was a very good game in which Dave Lewis played outstanding defence for the Warriors and Armstrong was a Commandoe spark plug. Fred Dunn, usually the best skater on the ice, was not in form as he broke his own skates and was wearing a pair 3 sizes too large.

At this point both teams wish to thank Dick Dubois for a job well done. He was the only referee on the ice and certainly had a tough job.

Last month it was erroneously reported that Rick Lewis was top scorer. Although he was up there Fred Dunn definitely took that honor.

Life's golden age is when the children are too old for baby-sitters and too young to borrow the family car.

### Condolences

To Sgt. Ridgewell on the recent loss of his mother, Mrs. Ethel Ridgewell, on April 9th. Funeral services were attended by Sgt. and Mrs. Ridgewell on April 11th, in the Anglican Church, Medicine Hat, Alberta.

### Hospital

To Sgt. "Tom" McConnell, still incarcerated in Colonel Mewburn, best wishes for a speedy recovery and an early return to duty.

### Leave

To Sgt. "Fred" Lewis, pleasantly rollicking in Cowboytown, (Calgary — to the uninitiated) have fun!

To Capt. R. W. Lawlor, recently returned from a spot of the same, congrats on your return to duty looking fit, rested and ready for the golfing season.

To S/Sgt. "Al" Wood on sick leave, convalescing from a gastro-ectomy (ulcers — of various kinds and sorts) congrats on your quick recovery. Classic remark by the Staff, "Man, I'd forgotten what real food tasted like."

To L/Cpl. McGrath, filling in as Chief Cook and Bottle-Washer in the McGrath menage, resignedly awaiting a blessed event and the endless round of bottles, diapers, formulas, baths, etc., etc., ad infinitum, ad nauseum.

## YOUNG PEOPLE'S ASSOCIATION NEWS

A lightly but gaily decorated gymnasium set the mood for a lively spring dance on Saturday, April 15th. It was the Pacers playing before a good crowd and everyone seemed to have a wonderful time. We were pleased to have Mr. and Mrs. Budd act as chaperons. Thanks to Marian Ashmore and crew for the decorations.

The club prides itself on having the best admission prices in town, consequently, we lost a bit of money on the dance. Our exact financial status is not known at this time but will be disclosed at the general meeting April 21st. But the small loss will far from "break" us.

Highlights of the dance were the giving away of 10 recordings and Buddy Bachmann's performance on the drums. Just after intermission time a small group got permission from the band leader to let Buddy play. So they dragged him up to the stage. He was a bit unwilling at first but the way he "cut loose on the skins" for "Walk don't Run" thrilled everyone. Incidentally, Buddy plays for the Aristocrats and is rated one of the best in town.

## DRUMMER AND CAPTION

What no talent in Griesbach? Here we have our own Gene Krupa - - Bud Bachman.

A few pictures were taken at the dance for the scrap book.

We haven't much to report this month as the Easter week-end was "activity-less" and a school dance was held on April 7th. We wish to remind all teens of the Bowling Club to be held at Namao on May 6th. The Strollers are playing and Griesbach Y.P.A. members are invited free.

#### The Post-Easter Lull

It is not without justification that the Sunday following Easter is often called "Let-down Sunday." For a good while there has been the build-up towards the climax of our Christian faith, the Resurrection. Now, for the moment, there is no climax left towards which to point butt rather the gradual tapering off to a quiet and somnolent summer period in which all church activities seem to lie dormant.

Yet this does not need to be a time of deterioration and decay. In the lives of all great men, as Arnold Toynbee has pointed out, there lies a period of what he calls "Withdrawal and Return." Men cannot dwell forever on the mountain peaks nor can their lives always be lived at fever pitch. Periods of quiet solitude and rest are necessary to all of us — physically, mentally and spiritually. That is why Jesus spent days in the wilderness preparing for His ministry. That is why He gave His disciples the instruction that following the Resurrection they were to "tarry in the city of Jerusalem until ye be endued with power from on high."

There is a period of watching and waiting, of disciplined inaction, through which many of us go. But just as the soldier in his waiting for action is preparing for action, so the Christian must take

the opportunity of the post-Easter lull to survey his faith, strengthen the foundations and ready himself for the fray so that when the time comes he may enter strongly into the great battle of the spirit. This means that now he can concentrate on what are called "the means of grace" — the reading of the Bible, prayer, church attendance and all the acts of worship that strengthen him for the busy days ahead. Thus he builds a reservoir against the time in which he will have to draw upon his spiritual reserves. And this reservoir needs to be refilled periodically. So while we may not fight, we cannot slack.

Remember — there are NO retired Christians — and — as Kipling said, "There's no discharge in the war!" — especially the war of the spirit.

THE PADRE.

### LADY OF FATIMA CWA

The regular meeting of the CWA was held at the RC Chapel on April 4th. This meeting was combined into a farewell party as one of our members, Mrs. McGowan, bid us all so-long. On behalf of this group she was presented with a cup and saucer, and a lovely lunch was served on her behalf. She will be greatly missed by all. Our annual event took the form of a Family Bingo and Variety Show held on April 14th. This venture proved very successful and entertaining for many children and adults present. We wish to extend our sincere thanks to all who attended.

The lucky prize winners were: Mrs. M. Forsyth, Mr. R. Moody, Mrs. R. Russell, Mrs. Zimmer, Mrs. B. Hutcheson, Paul Allen, Joanne Budd, Gary Salmond, Gordon Palmer, Mrs. Johnston, Mrs. O. King, Mrs. W. T. Smith, Bill Williams, Jr., Susan Durand, Mrs. R. Durand, Carol Galbraith, Mrs. D. MacDonald, Mrs. M. Gaigneur, and Mrs. Lily Brown.

Door prize winners were Louis McGrath, Mrs. Bastine and Julia Scheidl. The Jackpot of \$50.00 was divided between Mrs. R. Russell and David Lewis. The hostess chair and smoker were won by Mrs. Mary MacDonald, a former resident and past president of the CWA.

All this was made possible by the generous donations provided by the local merchants whose names appeared on the program. A special thank you to the boys of the PPCLI who helped set up and take down the tables.

To the four "Champs" a special hand for a very fine show. Our sincere appreciation to the members of the congregation of the CWA.

The children of O'Connell Institute and the Home of the Good Shepherd were the grateful recipients of the surplus candy, popcorn and potato chips.

## Brownie and Guide News

Doris Greenly

Saturday, May 6, will be cookie day. Brownies and Guides will arrive at their respective schools at 10:00 a.m. The schools will be cookie headquarters.

Two Brownies and one Guide will be assigned to each PMQ area. Please have your change ready when the children call. The cookies are 40c a dozen.

### FIRST GRIESBACH BROWNIE PACK

The Brownies of First Griesbach Pack held their weekly meeting April 17th, at No. 1 School. Two Brownies, Susan Murphy and Winifred Johnson, received the Golden Hand Badge and Susan Murphy also was presented with her Signaller's Badge.

The Brownies' mothers, Mrs. Johnson and Mrs. Murphy, who is Commissioner for the Griesbach Area, attended the ceremony.

The Pack numbers 24 Brownies and has three leaders: Jean Nickerson, Brown Owl; "Bobby" Roe, Tawny Owl; and Doris Patriquin, Snowy Owl.

### 2nd GRIESBACH BROWNIE PACK

Brown Owl: Doris Church

On March 15th, Mrs. Murphy, our Madam Commissioner, paid us a visit and we had an enrollment ceremony for the following tweenies: Dorothy McGuire, Suzanne Desrochers and Vickie Kemsley.

Presentations were made to:

Wanda Reid — Golden Bar

Hilary Kemsley — Golden Hand.

Good work, rownies!

Farewell and thank you to Patricia Dales, our old Packie, and welcome to Glennis Bunning, who will be taking her place. Glennis was presented with a Brownie tie and lanyard.

Urgently needed — Brownie uniforms. If you have one tucked away in a trunk and will not be needing it again, please call GR 9-5716.

### 4th GRIESBACH PACK

Tawny Owl — Mrs. Freed

Brown Owl — Mrs. Moseley

Our Pack has changed a lot since our last report. Sixers and Seconds are now as follows:

Elves Sixer — Helena Brown and Second Brenda Cunningham.

Fairies Sixer — Judy Ward and Second Mary Low Harding.

Gnomies Sixer — Sharron Hummell and Second Judith Grant.

Pixies Sixer — Jo-Anne Stewart and Second Nicki-Lou King.

Four Brownies have gone up to Guides. Jo-Anne Plumley flew up. Carol Hassen, Janette Stewart and Patsy Harper recently walked up.

Janette Stewart and Patsy Harper were our first Golden Ladder Brownies. Congratulations, girls!

Corrine Paquette is our only

Tweenie at present. While Narda King, Lorraine Vaness and Denise Sheppard are the newly enrolled Brownies.

Judy Ward received her Second Year Star in January and Sharron Hummell her Second Year Star in April.

Badges gained during the last few months are as follows:

Golden Bar — Donna-Lyn Freed.

## 2 PPCLI Roundup

### General News

During the latter part of March and the early part of April many of the battalion sub-units were away from the Hamilton Gault Barracks carrying out range work and field training. All sub-units returned in time for the parade and celebrations carried out on April 25th to commemorate the tenth anniversary of the stand of 2 PPCLI at Kapyong, Korea in 1950.

Markers for the parade on the 25th of April were called at 0955 hours. At 1030 hours, Mr. Robert J. Cananagh, United States Consul in Edmonton, arrived at the parade square to take the salute during the march past. Following the parade, the Commanding Officer, 2 PPCLI, introduced to the U.S. Consul veterans who were at Kapyong in 1950. A special lunch was then served in the Men's Mess.

During the afternoon of April 25th, inter-company sports and a forced march competition were held. In the evening a Mess Dinner was held in the Officers' Mess and a special function was held in the Sergeants' Mess.

### Officers' Mess News

During April the Mess bid farewell to Capt. W. Craig, former Adjutant of the PPCLI Depot. Capt. Craig was posted to the Canadian United Nations forces in the Middle East.

The Mess welcomed Capt. D. S. Robertson who was posted from 1 PPCLI to replace Capt. Craig as Adjutant, PPCLI Depot.

A Mess Dinner was held on the 25th of April to commemorate the battle of Kapyong, Korea, in 1950. Oriental cuisine and decorations highlighted the evening's activities.

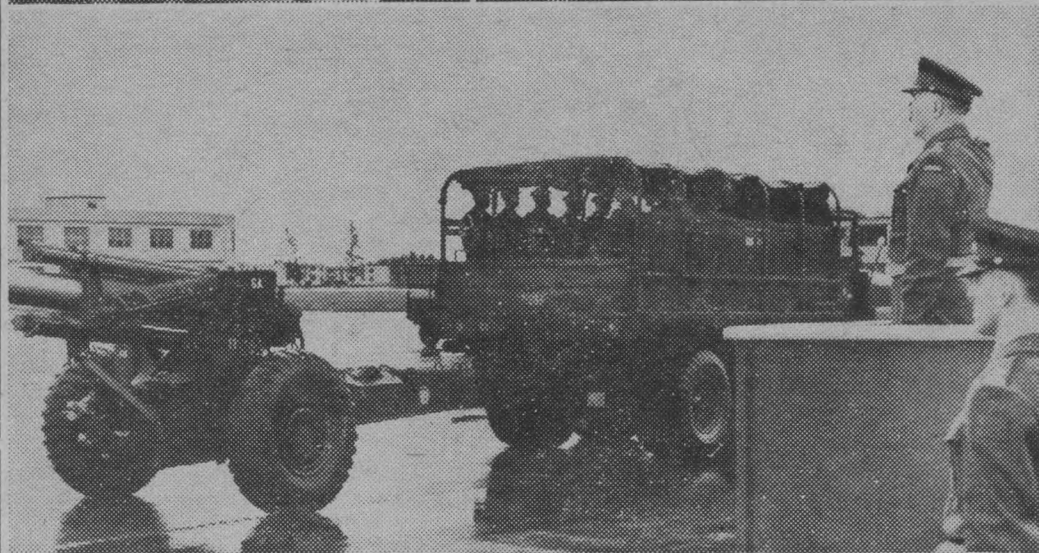

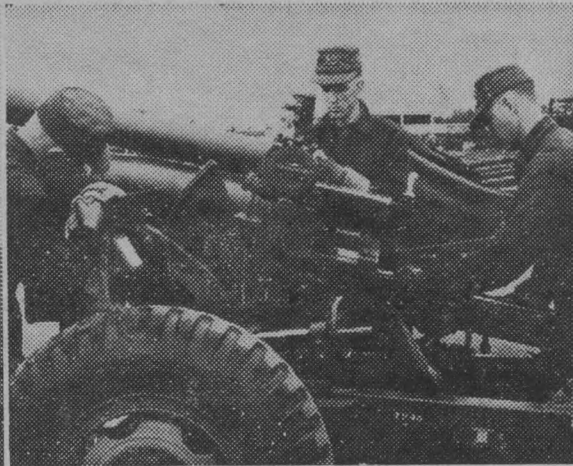

### Sergeants' Mess Activities

The Sergeants' Mess Curling Bonspiel was held on March 25th, commencing at 0800 hrs. Upsets were the order of the day. When the smoke cleared at 1330 hrs., the finalists in both the "A" and "B" events were the last four teams in regular league play. Sgt. Wally Turlock's rink took a one point lead as the last rock was thrown in the "A" event to defeat Sgt. Joe Dunn's foursome. S/Sgt. Harry Chatry's rink won the "B" event by one point in a thriller over WO2 "Red" McMahon's rink. An extra end was required to determine the winner of this event.

The annual curling banquet and presentation of trophies was held on March 30th, at 1940 hrs. Fillet Mignon was the order of the evening after which, a movie of the 1959 Brier championship was shown. Guests for the evening were Lt.-Col. C. A. Hamilton, Commanding Officer, 2 PPCLI; Maj. R. B. Mainprize, Commanding Officer, PPCLI Depot, and Capt. G. A. Holmes, Adjutant, 2 PPCLI. Lt. Col. Hamilton presented the trophies as follows:

## Fourth Regiment Inspected by Brigade Commander

Brigadier G. C. Leech, Commander of Canada's 2nd Canadian Infantry Brigade Group, Camp Petawawa, conducted his annual inspection of all sub-units within the Brigade recently.

One of the highlights during the inspection was a Regimental Drive

Past by the 4th Regiment, Royal Canadian Horse Artillery under command of Lt.-Col. J. M. Brownlee. The hour-long parade was an example of precision and discipline, with troops mounted in gun towers sitting rigidly to attention as they passed in review four

vehicles abreast on the rain-swept parade square.

In his address to the troops Brigadier Leech complimented them on the "fine show" and explained that the 4th Regiment had been selected to test a new artillery establishment.

ted to the team with the most wins in regular league competition.

Skip, RSM J. C. Coutts; third, S/Sgt. J. Shinn; second, Sgt. R. Craig; lead, Sgt. D. Bordeleau.

**Roy Moody Memorial Trophy** — Presented to the team winning the "A" Event in the Bonspiel.

Skip, Sgt. W. Turlock; third, CSM D. Roe; second, Sgt. H. Rooks; lead, Sgt. J. Lukion.

**Fred Tadman Trophy** — Presented to the team winning the "B" Event in the Bonspiel.

Skip, S/Sgt. H. Chatry; third, S/Sgt. B. Brister; second, Sgt. S. MacAuley; lead, S/Sgt. J. Kennedy.

Kapyong Day was celebrated in the typical fashion on April 25th. The Sergeants' Mess held a smoker commencing at 2000 hrs. Deep fried Oysters and Warm SAKI made an enjoyable dish. The Warm SAKI has now been trade named "Joe's Jungle Juice."

Members are now waiting in anticipation of Frezenberg Day, on May 8th. A further report will be submitted in the next issue.

### Corporals' Mess News

Congratulations from the members to Cpl. Jerry Blume and Marlene Ann Tanton who were mar-

ried on April 8th. Congratulations are also extended to Cpl. Pokol, L/Cpl. MacMillan and L/Cpl. Poirier on their recent promotions.

Kapyong Day was celebrated in typical fashion on April 25th. The Mess held a smoker at 1630 hrs., with Cpl. Chorney and L/Cpl. Harvey leading a sing-song which included old favourites such as "The Ric-A-Dam-Do," "Oh Provost, Oh Provost," etc. A punch and buffet was provided.

The members welcome back Cpl. Frank Klawikowski on his return from CBUME. Frank spent an enjoyable 30 days' leave at his home in Germany enroute from CBUME.

Cpls. Hodge, Lewis and L/Cpl. Fahl won the Edmonton City Dart play-offs on April the 13th. These play-offs were characterized by exciting, close play. They were also characterized by the great hospitality on the part of the host clubs. Our thanks to these clubs for allowing the Mess to participate.

The Barn Dance which to have been held on April 28th, was cancelled due to the PT lounge being previously booked.

### Battalion Sports

Following the Alberta Area boy-

ing finals held in February, the 2 PPCLI boxing team worked diligently to improve individual performances. On March 4th and 5th, eleven entries from 2 PPCLI competed in the Alberta Golden Gloves tournament. Five championships were won and the team came within two points of the aggregate trophy. This was an excellent showing because opposing teams had as many as 22 entrants. On April 4th the unit boxing team left for Calgary and the Western Command boxing finals. After two days of good boxing the team emerged with 12 of 18 championships and the aggregate trophy.

### "D" PACK

**Akela** — C. E. Buckley

We would like to take this opportunity to thank Garry Brown for his assistance with the Pack.

Hello, Gerry Minks. The Pack is very happy to have you with us, returned to his troop after receiving his "Cub Instructor's Badge."

Scouts Stewart and Brown are now with the Pack earning their "Cub Instructor's Badges."

### SOCIAL TID BITS

Congratulations to Mr. and Mrs. Frank Luscombe who celebrated their 18th wedding anniversary on April 1st.

"Do you have a friend or neighbour with an anniversary coming up or maybe a new baby, an engagement or wedding? If so, I would appreciate your co-operation by calling me at GR 9-5716 with any item of social interest. Remember, this "your" column.

Here is a suggestions for all those housewives who would "like to take a little off here and there" but never get around to doing anything about it. Do you share your morning coffee break with your neighbours? Why not put these gab sessions to good use by conducting your own "Slim Trim Course?" All you need is a rolling pin (to roll away those excess inches) a tape measure and, if you wish, a record with words and music to slim by (one dollar from the Family Circle). Your coffee will taste even better and there'll be no need to feel guilty when you rush home to get lunch.

### Handy Hints

Salt rubbed on hands after peeling onions will remove odour, and, if you've been eating them, chew a little fresh parsley. If junior hates to take medicine because of the taste, let him suck on an ice cube first — this will freeze the taste buds. Or maybe he has a splinter to remove — rub an ice cube over the skin first and the operation will be almost painless.

Wayne Sisson. Good luck with your new Packs and Good Hunting.

## 222 WORK SHOP R.C.E.M.E.

224 Workshop RCEME bids a reluctant farewell to one of its most respected members of long standing. Mrs. D. M. Crerar (Mary) has been associated with the Workshop for approximately 8 years, employed with the Control Office. She is transferring to Alta Sigs Sqn as Clerk Gr 3 and we wish to congratulate her on her promotion and wish her success in her new job.

A this time we would like to welcome Mrs. Evans from HQ Western Command who has taken over the duties in the position vacated by Mrs. Crerar. We extend to Mrs. Evans the best of luck in her new work.

Cfn Lehsus recently transferred from RCIC (2 PPCLI) to RCEME, is already well acquainted with most of us and is presently learning the ropes to qualify as a Vehicle Mechanic.

Ptes. Charron, Dyck, Hary and Vroskovy all from PPCLI, are currently our guests for a 30-day period for assessment and possible transfer to the Corps.

Cfn Hamilton of HQ 13 Coy RCEME, will take up farming as a vocation upon obtaining his release from the Army. Another man looking for greener pastures? We wish Cfn Hamilton success in his enterprise.

Congratulations to Mr. Bob Greig and his wife on their new arrival, Timmy, born on April 11th. Also via the stork a special delivery of a boy to Cpl. McGuire and his wife and Cfn Poytress and his wife.

Cpl. Jack Wilson merits plaudits on his successful completion of a Senior NCO Course.

We bid farewell to Lt. S. Dzuba who is leaving the Army to take up employment with the Dept. of Transport, Ottawa. Lt. Dzuba has been employed as control officer for the past 18 months. He will be missed by many of his friseds and we take this opportunity to wish him and Mrs. S. Dzuba bon voyage and every success in his new career.

Cfn Milo Dopson takes up duties with 4 Tpt Coy RCASC in Winnipeg. Milo has served as a Machinist Fitter for some time with the Ancillary Shop and we regret seeing him leave.

A plaque of the RCEME insignia was presented by the PMC QMS (WO2) F. A. Rutherford and accepted by SM (WO1) Addis of Camp Griesbach on April 14th, to commemorate the occasion of officers and senior NCOs of the Alta Area (Griesbach) attended the presentation.

In order to celebrate the 17th Anniversary of the formation of the Corps, plans are being made for an Open House to be held by the host unit, 224 Workshop RCEME. This will take place on May 12th, with all units in the Area invited to attend. Following the Open

House, a formal dinner dance will be held at the PT Lounge, Hamilton Gault Barracks, for all members of the RCEME units stationed in Edmonton.

We convey our deepest sympathy to Cfn Keck on his recent bereavement.

Our Rifle Team, consisting of HQ 13 Coy and the Wksp, are deeply involved in preparation and training for the forthcoming Army Rifle Competitions being held at Camp Sarcee.

Sgt. Michniuk (shades of Robin Hood and his Merrie Men) is donning Sherwood Green and is taking up Archery. His energetic leadership has now extended to "press-ganging" a number of "volunteers," and we are confident that John will do his utmost to ensure that this sport will become a thoroughly popular form of recreation.

## LADIES' CLUB NOTES

The regular meeting of the Griesbach Sergeants' Club was held on April 26th, and a good time was had by all.

Remember, ladies, it is the 4th Wednesday of every month.. Why not try to make a special effort to come and join the fun. Good entertainment is always provided, and prizes given, whether a Bingo or Games night is held.

Special talent has been shown in the production of Skits and Plays by our Entertainment Committee.

## Retires

Lieutenant-Colonel L. H. Young, CD, of Winnipeg, will retire from the Regular Army this spring after 22 years service, Army Headquarters announced recently.

An officer of the Princess Patricia's Canadian Light Infantry, Lt.-Col. Young is now Deputy Commander of Fort Churchill, Man.

Since the war, he has served in various staff appointments across Canada. During the period 1954-55, he was commanding officer of No. 25 Canadian Reinforcement Group in Japan.

Before going to Fort Churchill in July, 1958, Lt.-Col. Young served as Assistant Adjutant General in the Directorate of Organization at Army Headquarters, Ottawa, for three years.

## GRIESBACH RIDING CLUB

Look back at our struggle for freedom  
Trace our present day's strength to its source,  
And you'll find that man's pathway to glory,  
Is strewn with the bones of a horse.

— Anonymous.

We don't know who wrote this little poem, but whoever it was it is evident he had a great deal of feeling for our equestrian friend.

In this present day of automobiles and transportation by airplanes and other means, we have more or less forgotten the excitement we used to feel watching the old fire wagon towed by six or eight beautiful horses come galloping down the slippery slopes in winter or the times we hitched a ride home from school on the back of an ice wagon, or bread wagon or even a cool cart. As far as the younger generation was and is concerned, the horse was tops.

Today more people are taking up the time-honoured recreation of riding, for exercise, as means of relaxation, and pleasure than there have been since the days of the auto. What a wonderful way to spend a Sunday afternoon!

The adults and children of Griesbach now have the opportunity close at hand to enjoy this hobby. The cost is very low so all can take part. It is so low in fact, and we are trying to keep it so, that we must find means to subsidize our club.

At the moment we are very busy building a club house. This will

enable members to have a place to get out of the cold in winter and the rain in summer as well as a place to have lectures on horses and somewhere to gather and talk.

We cannot do this out of our membership money. This goes to buy horses and equipment and to pay our hired man as well as all the other drags on our funds.

Our menfolk and womenfolk from Griesbach are giving their spare time to help build our club house and our children may come to your door to sell raffle tickets to help buy the lumber.

If you would come up and see how much pleasure your children get from the riding club, you would be very willing to help them get this club house.

Let's get behind this one hundred percent and I am sure you will be repaid at the same rate of interest.

If you have not been approached as yet and wish to buy tickets, please phone Mrs. Buxton, at GR 9-5293 or Mrs. Salter, GR 7-5622 and we shall be pleased to call on you.

Information regarding the club can be obtained through the same source.

Elsie Salter, President,  
Griesbach Riding Club.

## A Corner For Gardeners

### TREES AND SHRUBS

Many of us take trees and shrubs for granted. Man planted them before he first made a record of his activities, and he will probably go on planting them as long as he builds homes and maintains boulevards and parks. We are all familiar with the bare appearance of a new building project and most of us appreciate the important part that trees and shrubs play in removing this bareness.

Probably few things that the householder does gives him more satisfaction than planting trees and shrubs and watching them develop. On the other hand nothing makes him sadder than to see these trees and shrubs killed by a severe winter or badly damaged by conditions over which he has little or no control. Obviously one of the most important factors is to select material suitable for the district, and particular location.

Another equally important factor in good planting is the selection of material to suit the space available. There are too many big trees planted right against houses or in places where they must be cut back to make them fit. If good judgment is used, there is no need to mutilate a tree or shrub to make it fit a space in which it never should have been planted in the first place.

Keeping the above in mind, the following suggestions can be of help in your plantings:

#### Planting Suggestions:

It is important to obtain the best nursery stock recommended for this area. The "Alberta Horticultural Guide" provides such a list. A limited number of copies are available for issue at the Townsite Office.

Vigorous, well-matured planting material will withstand transplanting better and is more resistant to pests and diseases.

When digging holes, it is recommended that the top-soil be kept separate from the subsoil. Size of hole depends upon the age of the tree and root development but should be large enough to receive the roots without bending. The moisture holding capacity of the soil can be improved by mixing organic matter with the top-soil.

On receipt of planting material the packages should be opened and moistened at once or transplanted. Avoid unnecessary exposure to wind and sun.

Trim any broken or ragged roots with a sharp knife or pruning shears. Set the roots to stand at their normal position. Plant the trees about two inches deeper than they stood in the nursery row. Trees are usually slightly inclined towards the prevailing winds. Use top-soil as much as possible for back-filling the holes. The soil should be packed firmly around the roots, layer by layer. A depression of approximately one inch must be left for watering. Failure is usually due to insufficient compacting of the soil in planting. Water newly planted trees well. To avoid excess evaporation, keep the top-soil loose and possibly provide a mulch.

Pruning is an art in itself and is often overpractised. Trees in spacious surroundings require the minimum of pruning. The best season for pruning is early spring.

#### PRUNING:

##### Deciduous Trees:

Pruning is an art in itself and is often overpractised. Trees in spacious surroundings require the minimum of pruning. The best season for pruning is early spring.

When pruning, cut the branches close to their origin. Do not leave stubs; they do not heal readily and are subject to infection. Large limbs should be pruned by means of a double cut, started with a cut on the lower side of the branch at a distance of 10 inches from the trunk and another immediately above, slightly closer to the trunk. After the branch has been removed, the stub can be sawn off close to the trunk.

##### Shrubs:

Most shrubs are pruned early in the spring before the buds break, but spring flowering shrubs, such as lilac are pruned immediately after flowering. In many cases, remove only unwanted branches at base. Heading-back of branches is only recommended when dealing with formal shapes, such as hedges, where the natural shape of a shrub is not preserved.

##### Evergreens:

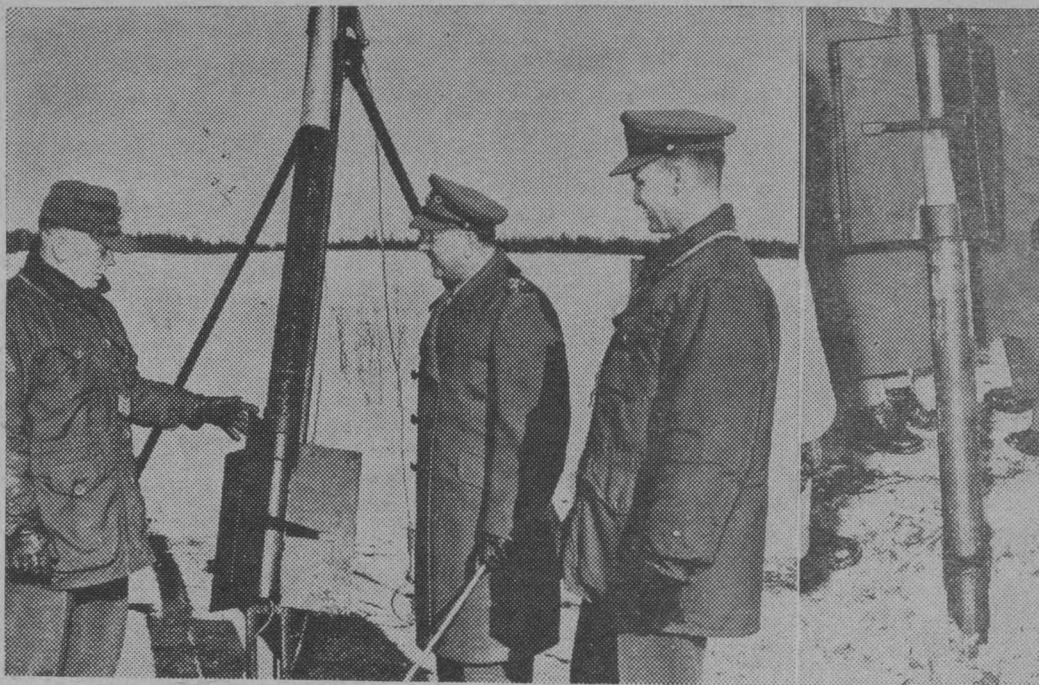

Evergreens are slow growers and pruning should be done with extreme care. Mugho pines must be pruned each year to maintain their dwarfing habit. The terminal spring growth should be headed back by two-thirds, before the buds open. No additional pruning should be attempted. Spruce and fir can be handled in a similar way. Do not remove lower branches of spruce, pine and fir.

#### FEEDING:

Fertilizer for trees or shrubs may be spread on top of the soil in a fashion similar to that for lawns.

Broadcast fertilization may encourage some trees and shrubs to produce a mass of roots near the surface. To avoid this undesirable condition, fertilizer for trees and large shrubs may be placed in holes 15" to 24" deep spaced about the tree. Holes should commence two feet from the tree trunk and should be about 18" to 24" apart. The holes should extend out to be below the tips of the longest branches. An auger, crow bar or hollow pipe may be used to make the holes which can be 1" to 2" in diameter. One to two ounces (one-tenth of a pound) of fertilizer may be placed in each hole. It is best to mix the fertilizer with 3 to 5 times its volume of soil; the mixture can be tamped into the bottoms of the holes with a stick.

## New Task For Rocket

It's called a "Harp" — and it doesn't provide background music for troops in action. It's a new and faster way for the Royal Canadian Engineers to string floating foot bridges across rivers and streams. It derives its name from H-oldfast A-pparatus Rocket Projected. Originally developed by the British Army and now coming into use in the Canadian Army, the "Harp" comprises a launching platform and a rocket that is fired in the air at a 65-degree angle,

carrying with it steel wire-rope across spans or gaps of 500 yards. The cable-carrying rocket anchors itself firmly on the other side anywhere from two to five feet deep, depending on the soil. Then the task of stringing the bridge begins. Once the cable is anchored troops can be across the bridge in as little as eight minutes. Troops of the 3rd Canadian Infantry Brigade Group at Camp Wainwright saw the "Harp" demonstrated by the 2nd Field Squadron, Royal Canadian

Examining the gadget at left before blastoff is the brigade group commander, Brig. E. D. Danby, center. Flanking him are members of the squadron, Sgt. Richard Woods of Kingston, Ont., on the left and Lt. Guy Saint Pierre of Victoriaville, Que., on the right.

The rocket is recoverable but the motor and propellant must be replaced before firing again. Photo on the right shows how the rocket burrows in after firing.

(National Defence Photo)

When setting out shrubs and trees a complete fertilizer may be thoroughly mixed with the 6 inches of soil in the bottom of the hole into which the plant is to be set. A two-inch soil layer without fertilizer should separate the soil-fertilizer mixture and the ball of soil about the plant's roots. Five to ten tablespoons of fertilizer may be used in holes two feet in diameter. A pint of starter solution may be applied about the soil ball on the plant when the hole is half filled with soil.

## Better Business Tips

A public service feature provided through the courtesy of the Better Business Bureau of Edmonton with a view to informing Griesbach residents of various business practices of which they should be aware.

### USED CAR ADVERTISING

Ridiculously low down-payments, as appearing from time to time in news media, may be only a holding fee until the applicant has made his own application to a Finance Company to borrow the full price of the car, and pay it over to the car sales firm. If you credit rating is not satisfactory, you may be asked to put up your household furnishings as security, — or get a friend to co-sign. Remember, you will be paying cash to the vendor.

### GARBAGE DISPOSAL UNITS

Some salesmen, according to reports, imply that you can now throw your garbage can after you have one of their units installed. Remember, you still have tin cans, bottles, bones, and paper products to dispose of, — so don't be hasty.

### ANOTHER DISCOUNT MEMBERSHIP

A resident of Jasper Place reported being approached by a salesman, who claimed to be covering Alberta and B.C. on behalf of the "United Manufacturers Association." For a \$10.00 fee you could become a member and buy direct from the manufacturer. When questioned about firms on the list our "customer" was told Union Tractor Ltd. were participants. Sounded impressive. The B.B.B. checked this out, and found it to be false. Our friend spent his ten dollars for a two-year membership, and received three mail-order catalogues. The office of the Canadian Manufacturers' Association were notified of this.

### A SURVY LAUGH

One evening recently, a Television rating service in a Mid-west city in the U.S.S., placed 1,000 telephone calls, and the question asked was: "To whom are you listening at this moment?" Nine hundred replied, "My wife!"

### REFERRAL SELLING IS GIMMICK SELLING

It is designed to entice the public into thinking they will get something for nothing. It is an unsound business practice. Someone has to pay for everything you buy. If not you, it may be your friends, so why ask your friends to do it?

## D.R.B. at Florida Local

The second phase of a Defence Research Board experiment, supported by the RCAF and conducted last year in association with the U.S. Advanced Research Project Agency, is being carried out in Florida.

Known as Operation Lookout, last year's experiment involved the instrumentation of RFAF fighter-interceptor aircraft which flew near U.S. intercontinental ballistic missile rocket nosecones during their re-entry into the earth's atmosphere near Ascension Island. Purpose of the flights was to obtain scientific data about infra-red and other radiation emitted during flight by the nosecones as a Canadian contribution to U.S. anti-ICBM investigations.

Objective of the second phase of the operation will be to investigate the infra-red radiations from the booster and sustainer motors of the missiles under observation. The data obtained, like that now being analyzed from Phase 1 of the operation, will be classified.

Two scientists and five technicians from the Canadian Armament Research and Development Establishment (CARDE), of Valcartier, a DRB research station, supported by about 30 RCAF personnel, left for Patrick Air Force Base in Florida last month to begin Phase 2 of Operation Lookout in

April. The experiment will be completed late in June.

Three CF-100 aircraft, one in a back-up role, with instrumented wing pods are supporting the scientific program. Two fly simultaneously, up to two-hour missions, against pre-selected launched rockets. Piloting and navigation of an unusually high order again are necessary during the second phase of the operation.

Development of a realistic defence against ICBMs in one of the most complex problems facing the military planners today. Required are a highly integrated and precise early warning, tracking, sorting, communicating, computing and counter-missile system. Research in all the areas involved is necessary to improve the efficiency of existing defence techniques and

to develop new protective methods.

The scientific data obtained from Phase 1 of the operation and that likely to be developed from Phase 2 should be available in assisting the U.S. in its feasibility studies of infra-red and other radiation techniques as possible ICBM detection systems.

In charge of the overall scientific aspects of the operation will be R. F. Chinnick, Superintendent of the Electronics Wing and formerly of Chatham, Ontario, with Donald McKinnon, also of CARDE, in charge at Patrick Air Force Base. Other CARDE personnel at the Florida location will include a scientist and five technicians.

Directing the RCAF air and ground crews from Valcartier will be S/L D. W. East, Commanding Officer of the CEPE detachment attached to CADRE, with S/L R. B. West, in charge at Patrick Air Force Base.
